COVID Protocols –

When campers arrive at camp, they will need to answer covid prescreening questions and have their temperatures taken. Any campers not feeling well and showing any covid symptoms will be asked to be immediately picked up from camp.

We ask that you please not bring your child to camp if they are feeling ill.

Refunds will be available to any campers who cannot attend camp due to covid.

FAQ

Sports Management Camp

The Sports Industry is one of the fastest growing industries in the United States. The Sports Management Society is a program at Legacy that introduces our kids to career pathways in the sports industry. The pathways we will be introducing at our camp are Sports Medicine (athletic training), Sports Media (photography, social media, interviews, podcast), Coaching, athletic administration and event management.
