ESSA Requirement

The Every Student Succeeds Act (ESSA) Section 1114(b) requires that an eligible school operating a schoolwide program shall develop a campus improvement plan. Section 1114(b)(4) states that the information contained in such plan shall be in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand. Sections 1112(e)(4); 1114(b)(4); 1116(e)(5); and 1116(f) state that information regarding student interpretive, descriptive, and diagnostic reports, plans, policy, compact, parent meetings, and other required correspondence must be given in an understandable and uniform format, and to the extent practicable, in a language that parents can understand. USDE has not provided guidance or defined the term to the extent practicable.
