

Job Position: Head Football Coach (Program Lead)

Location: Legacy the School of Sport Sciences | Spring, Texas

Start Date: Immediately Following Selection

About the Role:

Legacy the School of Sport Sciences is seeking a visionary and connected leader to serve as our next Head Football Coach. This coach will not only lead a competitive program but also play a pivotal role in shaping young men on and off the field.

We are looking for someone who:

- Has a strong understanding of football strategy, culture, and structure
- Possesses recruiting relationships and knows how to get athletes to the next level
- Understands how to manage high school and middle school programs with vision and accountability
- Can cultivate a team of excellence, discipline, and character
- Values academics as much as athletics and prioritizes student-athlete success

Our Commitment to Athletes:

Our goal is to prepare students to pursue their dreams—whether that’s playing college ball at a JUCO, NAIA, Division III, Division II, or Division I school.

No opportunity is too small. No dream is too big.

We believe every student deserves a shot, and we’re looking for a coach who shares that same belief.

About Legacy:

Legacy the School of Sport Sciences is a premier public charter school committed to building strong scholar-athletes with a deep understanding of sport, leadership, and academic excellence.

Our student-athletes are trained to win in the classroom, on the field, and in life.

Legacy the School of Sport Sciences – Where Every Student Wins

**Position Overview:**

Legacy is seeking a dynamic, passionate, and experienced Head Football Coach to lead our competitive football program across middle and high school levels. The ideal candidate will bring leadership, discipline, and vision to elevate our athletes and program to the next level—on and off the field.

This is a stipend position. The selected coach will be expected to collaborate with faculty, parents, and athletic leadership to ensure student success academically, athletically, and in character development.

Responsibilities:

- Oversee all aspects of the football program (MS, JV, Varsity)
- Develop and implement practice plans, game strategies, and player development systems
- Foster a culture of academic accountability, sportsmanship, and teamwork
- Collaborate with school leadership, athletic trainers, and academic coaches
- Manage assistant coaches and support staff
- Ensure all UIL and TEA compliance standards are met
- Represent Legacy Football with professionalism and high expectations
- Establish and maintain strong recruiting pipelines and collegiate relationships to help student-athletes earn scholarships and advance to the next level (JUCO, NAIA, Division III, Division II, or Division I school)

Qualifications:

- Prior experience as a Head or Assistant Football Coach (high school or college)
- Strong leadership and communication skills
- Proven track record of program development and player success
- Demonstrated success in helping athletes transition to college football programs
- Ability to motivate and mentor scholar-athletes
- TEA coaching certification or willingness to obtain (preferred)
- Bachelor's degree (preferred)

Stipend:

This is a stipend-based coaching role. Additional opportunities for on-campus employment may be available based on certification and campus needs.
