

October 2025

The Texas Education Agency (TEA) has assigned **Legacy the School of Sport Sciences** the accreditation status of **Accredited–Warned**.

This means Legacy remains accredited but must take corrective action in areas identified by TEA in order to return to full standing.

What This Means

- Students will continue learning and competing as usual.
- Daily classes, athletics, and programs are not affected.
- The “Accredited–Warned” status requires the school to show improvements in academic growth, compliance, and reporting.

Our Plan to Improve

Legacy has developed a **corrective action plan** and is working closely with TEA to address concerns. A key part of our strategy is focusing on **student progress as measured by STAAR Growth Indicators** to ensure every student demonstrates measurable academic growth.

Our Commitment

We are committed to:

- Meeting all TEA requirements in a timely manner.
- Providing updates to students, families, and the community.
- Returning to full **Accredited** status as quickly as possible.
